

# Take Action to Secure Your School Campus!

Have a centralized and complete record of everyone on campus.

This comprehensive software, along with toll free support and upgrades, is provided to all participating schools exclusively by Ident-A-Kid Services of America as a community service.

## Know Your Visitors

Now, in addition to managing visitor traffic, CCSS will enable you to instantly check to see if visitors are listed as **convicted sexual offenders** in the U.S. Department of Justice's national database.

## Effortlessly Track Everyone on Campus

- ✓ Total Tracking Flexibility
- ✓ Digital Image Capture
- ✓ Quick and Easy User Friendly Setup
- ✓ Low Maintenance
- ✓ Comprehensive Reporting
- ✓ Import/Export Data Capabilities
- ✓ Student Tracking Made Easy
- ✓ Toll Free Support
- ✓ Frequent Visitor JiffyPass Process
- ✓ Free Upgrades and No Annual Fees

**\$495 MSRP**

# Now with the convenience of JiffyPass™!

CCSS is an easy-to-use MS Windows-based software that allows you to easily track all visitors and issue a variety of ID badges, including photo, by just pointing and clicking. Your campus can be a safer place by printing "on demand" Visitor, Volunteer, Substitute, and Student passes. Also, an archived photo can be automatically taken of each visitor or their drivers license can be scanned at Check In for positive ID. Additionally, this software enables you to instantly check to see if new visitors are listed as convicted sexual offenders in the U.S. Department of Justice's national database.

## Software Benefits

- ✓ *User Friendly - Easy to Install and Run*
- ✓ *Toll - Free Support Line (800-890-1000)*
